Dan Crosby CIT 360 Daleks Command Central

Featuring Apache TomCat Servlets

☐ Dalek Sec

☐ Dalek Warriors

☐ Dalek Supreme Council

Select Attack Destination

Results if attacking Dallas, TX:

Fighting a battle with Dalek Sec against the city of Dallas!

Battle Results:

It's a lucky day in Dallas, Dr. Who arrived in his Tardis and foiled the Dalek's.

Results if attacking BYU Idaho:

Fighting a battle with Dalek Sec against BYU Idaho!

Battle Results:

The Dalek's tried to use their ray gun, but the faith of BYU Idaho students was unstoppable.

Results if attacking Earth's Moon:

Fighting a battle with the Dalek Supreme Council against the city of Dallas!

Battle Results:

On finding the moon uninhabited, the Daleks became angry and destroyed the moon.

Results if the player forgets to select a robot army:

No Dalek armies were specified. As a result, your attack has failed, and the late night television comics are all laughing at the Daleks.

Error handling results if the web page calling the servlet does not have the required field myTarget:

The web page that called this servlet was missing a required field.

As a tragic result, the entire planet was destroyed by the Dakeks.

Results if the Skaro applet is called via get rather than post:

This resources can only be called via form post to the Skaro servlet.
